Dear Friends

Welcome to Newsletter No. 2!

The past month has been eventful here in Israel. Our business is to contribute to healing trauma as in the story of 'The Soldier that Didn't Shoot': Dror Zicherman. It turns out that Dror has been treated very successfully with SE - as you can see in the interview below.

And as usual, we bring you information and upcoming events for your use and pleasure.

Happy Pesach from all of us at ITI!

The Soldier Who Didn't Shoot

After a decade of treatment, Dror finally found SE: A method that required "No medication, was gentle and immediate".
