Foundation for Human Enrichment Assistant Log

The purpose of this log is to keep a record of when you have assisted at an SE training module. The FHE may require that you submit a copy of your log when submitting an Assistant Application if there is information missing from your file. Assistants are responsible for keeping copies of their logs and for tracking the required number of assisting hours required at each level.

Dates	**Class Level**	**Location**	**Instructor**	**Days Present**	**Instructor's Signature**
(Example) 1/1/19	Beg I	Boulder, CO	Jane Doe	4/4	*Jane Doe*
